If you are not providing a physical sample of your music, where may one be found online?

All Jazz in July bands are required to provide a soundsystem capable of playing to an outdoor crowd of 500.

Do you have the capable equipment? Yes No

If not, we may be able to make arrangements for you.

Each band is expected to aid in the promotion of their Jazz in July concert. How will you promote your event?

Please submit application to:
